

Bramley Show – History

The Bramley show was started in 1987, with the grand title of Bramley and Little London Horticultural Group, by the donation of £25 from the Clift brothers.

Further fund raising by Joyce Cobbing, Pat Jones and Phyl Davies raised another £76.86p

The first show in Sept 1987 made a profit of £120.32p, and we still have the original first bank statement in our archives.
